Should I line up a “choral reading” of the incoming and outgoing letters?

At a minimum, I need to give Stacy a heads up.

Hi Tom, both Janet and I are recommending option 2. Janet will let Tomas know.

Once you get some conclusions on where this is going, I need to get back to Stacey so we can exchange letter language, and get their timing on their incoming.

Hi Janet, I incorporated all of Tom's comments. I think this is near final. You may want to review one more time, but I think it's good to go.
